INSTYLE

ATELIER 706

CONTENT 92% Polyester, 5% Cotton, 3% Latex

WIDTH / WEIGHT 54" / 17.6 Oz Linear Yard

REPEAT None

FINISH None

DURABILITY  100,000 Martindale

PERFORMANCE    
Meets all ACT standards

SEAM SLIPPAGE
ASTM D4034-92 126.8 lbs Warp, 122.6 lbs Fill

PILLING
ASTM D3511 Class 5.0

LIGHTFASTNESS
ASTM D3511 Class 4.5 (40 Hours)

FLAMMABILITY
ASTM E84 Unadhered Class 2
Cal 117E, AS/NZS 1530.3
AS/NZS 3837, ISO 5660.1

APPLICATION Upholstery

CLEANING CODE WS - Spot clean with a mild solvent, an upholstery shampoo or the foam from a mild detergent. When using a solvent or dry cleaning product, follow the instructions carefully and clean only in a well ventilated room. Avoid any product that contains Tetrachloride or other toxic materials. With either method, pre-test a small area before proceeding.

INTERLINER

- It is important to use an interliner between the ATELIER velvet and the substrate. Failure to do so will void the product warranty.

SHADING / NAP

- The pile on velvet may flatten during upholstery or use. This is a normal characteristic of velvet and is not a fabric fault.
- A shading appearance during use should be expected, especially in areas of high use such as arms, seat fronts and back cushions.
- When upholstery it is important to pay attention to the nap direction. Velvet must be upholstered or sewn with the nap running in the same direction on panels / furniture.
- Failure to do this will result in adjoining panels / furniture showing a contrasting light and dark shading effect.

GREEN STAR + LEED

- ATELIER can be used on white furniture certified by AFRDI, GECA, Ecospecifier (Level B + C) and ECNZ.
- The Green Star Rating Tool states "Where at least 90% of an item's mass is certified to a GBCA recognized standard, the item can be entered as a certified product at Level A, B or C". Therefore, any fabric can be used as fabrics are almost always under 10% by weight of a furniture item.

WELL

ATELIER can contribute to the following WELL criteria:

- Toxic Material Reduction: ATELIER is free of PFCs, flame retardants, phthalates + urea formaldehyde.
