PRODUCT	Duo Baffles
DESIGNER	Unika Vaev Design Studio
CONTENT	100% PET
DIMENSIONS	Assembled: (w) 54" x (h) 12"* x (d) 15/16" * Heights are nominal

FIRE RATINGS

ASTM E84	Class A
CAN ULC S102	

ACOUSTIC	NRC- 0.70 - 0.75 depending on baffle fin spacing
-----------------	--

APPLICATION	Ceiling
--------------------	---------

DESCRIPTION	The design intent of Duo and Trio is based upon the idea that a ceiling can serve as a palette without sacrificing its core intent. Through the use of opposing lines, inspirational patterns emerge.

- Environment**
- No VOCs
 - California 01350 Emissions Compliant
 - Prop 65 Compliant
 - Declare CDHP Emissions Compliant
 - HPD
 - Oeko-Tex Certified
 - Rapidly renewable content
 - Published with mindful MATERIALS

Additional Information

- Mounting option: Suspension Grid (sold separately), or with our patent-pending T-Clip™ which allows for ease of installation. *See the T-Clip™ diagram below.
- Mushroom glides are provided when mounting to a suspension grid (glides arrive attached to baffle fins)
- Duo can be hung directly from an existing drop ceiling grid using Unika Vaev's proprietary TClip™ system.
- Please specify desired hanging method at time of order.
- Duo may also be installed using Unika Vaev's proprietary grid system, (sold at additional cost), for open plan ceiling decks.
- Please specify desired hanging method at time of order
- NRC ratings are contingent upon depth of and spacing between baffles.

Preinstalled T-Clip™ is patent-pending
